

FBM UNIL - CHUV

DATA MANAGEMENT & DATA SHARING

DR. MARC FROISSART (CRC, FBM UNIL-CHUV)

NATHALIE JACQUEMONT (VDE, FBM UNIL-CHUV)

DR. C. LEBRAND & J. ZBINDEN (BIUM, FBM UNIL-CHUV)

M. REGE (UDDSP, IUMSP)

CLINICAL RESEARCH DATA

DR. MARC FROISSART

(CENTRE DE RECHERCHE CLINIQUE,
FBM UNIL-CHUV)

- ❖ Electronic Data Capture (EDC)
- ❖ Clinical Studies Data Management
- ❖ Statistical Planning and Analysis

When planning a prospective clinical study the CRC can provide researchers with services spanning from concept/design to publication, including solutions for electronic data capture, data management and statistical analysis.

For more information, feel free to contact the service.

CLINICAL RESEARCH DATA

NATHALIE JACQUEMONT

(UNITÉ DE VALORISATION DES DONNÉES
ET DES ÉCHANTILLONS BIOLOGIQUES,
FBM UNIL-CHUV)

- ❖ Clinical Data Extraction
- ❖ Depersonalization / codification of clinical data
- ❖ Genetic data management

FBM/CHUV researchers conducting research on human subjects and using samples from the Biobanque Institutionnelle de Lausanne should consult VDE before planning research data use especially to make sure that data are codified and correctly de-identified. For more information: [service](#)

INTRODUCTORY COURSES: DATA MANAGEMENT & DATA MANAGEMENT PLAN

M. REGE (UDDSP, IUMSP)

- ❖ Range of Data management services to the IUMSP researchers.
- ❖ Free introductory courses on data management and DMP are provided in French to FBM UNIL-CHUV researchers on a regular basis ([check courses calendar](#)).
- ❖ For more information: uddsp.iumsp@chuv.ch

PRACTICAL WORKSHOPS: SNSF DATA MANAGEMENT PLAN

M. REGE (UDDSP, IUMSP)

DR. CÉCILE LEBRAND (BIUM, FBM UNIL-CHUV)

❖ Practical workshops to create your SNSF DMP through MySNF.

❖ One SSC session & one SSF session per week

Free practical courses about DMP will be provided in french or english early September 2017.

For more information: uddsp.iumsp@chuv.ch

PRACTICAL WORKSHOP: DATA SHARING (2.5 TO 4 HRS)

DR. CÉCILE LEBRAND
JÉRÔME ZBINDEN
(BIUM, FBM UNIL-CHUV)

- ❖ Search for datasets
- ❖ Benefits to data sharing
- ❖ Publish and share data on Zenodo or Dryad
- ❖ Metadata standards
- ❖ File formats for long-term preservation/re-use
- ❖ Citation for a dataset
- ❖ Confidentiality and intellectual property

On demand or regular trainings about these aspects are provided in french or english by this service ([check courses calendar](#)).
